## Circular from Chairman's office

It is very unfortunate to hear that the father of **Monish Ali** student of BPharm 2022-2026 Batch enrolment No 225096 has expired. Lotus Family expresses grief and vows to stand by the student and his family in these tough times.

To facilitate studies, I announce a scholarship of Rs 2,25,000/- towards his college fees for 2nd, 3rd and 4th Year of BPharm+ free transportation + waiver in Book bank Charges to the student till the completion of the course.

I wish him success in his future endeavors.

Regards,

Abhishek Agarwal
